Profile:

Having eleven years of experience in teaching, highly interested in multiple domains such as literature studies, teaching methods, received my BA degree in 2008. I've taken part in some workshops and conferences inside Kurdistan and abroad on different topics like (both ancient & modern eastern & western philosophy, empowerment of women, linguistics, youth mobilization and instructing as well as other humanitarians), and I also have some published researches & scientific articles in some local newspapers. I always have a challenging spirit and almost ready to take on any new job even unrelated to my own specialty. I am totally passionate and nicely curious about unearthing new field of working and undertaking the entire responsibilities which are linked to it.
